Note:
All service intervals are determined by mileage or elapsed time, whichever occurs first.
* (1) Even if it is before the recommended replacement interval, please replace the cabin filter if the airflow from the air vents becomes drastically reduced or if there is any abnormal odor.

Disclaimer:
• The maintenance-interval information provided is for general guidance only; actual requirements may vary by vehicle model, battery specification, build date, driving habits, climate, road conditions, and local regulations.
• Non-compliance with the prescribed Zeekr schedule, use of non-genuine parts or fluids, or servicing outside an authorised Zeekr centre may void warranty coverage and compromise vehicle safety or performance.
• While every effort has been made to ensure accuracy and to reflect the Zeekr Recommended Service Schedule, labour rates, parts prices, taxes, and fees are indicative and may change without notice. Please confirm current costs with your authorised Zeekr service advisor.
